Sunao Vase, Mini - Maroon

Product Description

In Japanese, Sunao means honesty. It is a word that holds more than truthfulness; it carries the spirit of living with clarity, humility, and respect for the natural world. The Sunao Vase, Mini channels this philosophy through form that is both grounded and quietly expressive.

The inspiration lies in the dialogue between nature and craft. This smooth ceramic vase is designed to support what it holds, never to compete with it. Its balanced silhouette and refined surface allow light and shadow to gently define the shape.

Finished in a deep glossy Maroon rich reddish-brown, the colour carries the warmth of chestnut and the softness of dusk. Poised between passion and calm, the tone introduces depth and sophistication while remaining naturally rooted.

Made from hand-painted ceramic, each vase reveals subtle variations in colour and surface, ensuring every piece is unique. This quiet individuality reflects the Japanese belief that beauty lies in imperfection and nuance.

Ideal for smaller compositions, the Mini size works beautifully on shelves, desks, or as part of a curated vignette. It brings warmth and character to both modern and classic interiors, whether styled with florals or left in sculptural stillness.

Each vase is a hand-glazed, natural creation, resulting in a textured and unique surface with subtle variations in colour.

Family Description Text

In Japanese, Sunao means honesty. It is a word that holds more than truthfulness; it carries the spirit of living with clarity, humility, and respect for the natural world. The Sunao Collection is born from this philosophy, an exploration of how simple forms and honest materials can create vessels that feel both timeless and alive.

The inspiration lies in the dialogue between nature and craft. Each vase and plant pot is shaped to frame what it holds, yet never overshadows it. The smooth surface speaks of calm refinement, like the stillness of a quiet morning, while the Beehive texture, cast from shoreline shellfish, celebrates imperfection, rhythm, and the raw poetry of nature.

Every piece is hand painted, carrying subtle variations that make it one of a kind, echoing the Japanese belief that beauty is found in uniqueness and quiet detail. Just as no leaf, branch, or wave is ever identical, no Sunao vessel is the same.

Whether standing with flowers, branches, or greenery, or existing in sculptural silence, Sunao becomes more than an object. It is a companion to daily life, a reminder of honesty in design and in living, where simplicity allows nature to take centre stage.

Color Description

Maroon is a deep, rich shade a dark reddish-brown created by blending red with brown or darkening red with a touch of black. Its name comes from the French marron, meaning "chestnut," echoing its warm, earthy core.

It carries the quiet strength of seasoned wood and the softness of dusk's last ember. Poised between passion and calm, Maroon evokes sophistication, depth, and a grounded, enduring warmth.

Maintenance Guide Description

Our hand-painted ceramic pieces are crafted as decorative objects, designed to age gracefully when cared for with gentleness.

The outer surface of our pieces is hand-painted and should be treated with the same reverence dust lightly with a soft, dry cloth, allowing the painted character to remain untouched. Water, harsh cleaners, or abrasives should never meet this surface, as they can disturb its delicate finish.

Vases are sealed within and may hold water for fresh flowers. Clean their interiors gently with lukewarm water, then dry carefully, taking care that no moisture touches the painted exterior.

To preserve their vibrancy, keep each piece away from prolonged sunlight and sudden shifts in temperature. With such mindful care, every ceramic piece will hold its artistry, warmth, and timeless presence for years to come.

Materials Description

Ceramic is one of the oldest and most enduring materials, celebrated for its strength, versatility, and timeless beauty. Shaped from natural clay and fired at high temperatures, it achieves a density and durability that make it ideal for both functional and decorative use. Its smooth surface provides the perfect canvas for craftsmanship.

Our ceramic is elevated through hand painting, where layers of pigment are carefully applied by skilled artisans. This process creates subtle variations in tone, texture, and detail, ensuring that no two pieces are ever alike. The result is a material that combines resilience with individuality practical enough for everyday use, yet refined enough to stand as an object of art.

Hand-painted ceramic embodies the harmony of nature, craft, and time: a surface that carries both the permanence of fired clay and the soulful presence of the human hand.
